Location	Kingman Recreation Commission 131 West A Avenue Kingman, Kansas 67068
Overview	This 8 hour course is a hands-on approach to real world combatives with an emphasis on officer survival and proper use of force. Footwork, striking, takedowns and control holds, and ground fighting are just some of what is covered. Much of the course teaches training drills to lay a foundation for future in house training. Emphasis is on the basics because they will never let you down. Then, by chaining the basics together the system becomes very advanced. Students work at their own skill level so all are encouraged to attend. Students will finish the day exhausted but gain confidence in their own skills as well as their co-worker's abilities.
Special Information	CLASS IS LIMITED TO 24 PARTICIPANTS Deadline to enroll is September 25, 2023. <u>EMAIL TO ENROLL</u> Attendees should dress in gym clothes with no other equipment needed. Bring water and a towel due to the physical nature of this course. Water fountains and restrooms available.
