The FIND One-Day Training is designed for individuals working on multi-disciplinary teams (MDT's) and in other service organizations who are seeking to gain insights about the risk factors, realities, and strategies for working with individuals with disabilities. The training is founded on forensic interviewing best practices with considerations and adaptations to account for individual disability, language capacity, and cultural background. This one-day curriculum will introduce you to the basics of the FIND Model of Forensic Interviewing and practical applications for engaging and communicating with vulnerable populations.

REGISTRATION IS FREE AND LUNCH WILL BE PROVIDED. CERTIFICATES OF ATTENDANCE WILL ALSO BE AVAILABLE.
