

G0400—Advanced Incident Command System Course

December 2-3, 2024 • 8:00 am—5:00 pm each day

Merriam Community Center, Merriam, KS

Register at www.train.org/ks • Search for Course ID: 1115081

Brought to you by the Kansas Division of Emergency Management

Target Audience

The target audience for this course includes experienced senior emergency management personnel who may perform in a management capacity for major or complex incidents. This group includes individuals who may serve as the Incident Commander, as a member of a Unified Command, or as members of the Command or General Staff, or Multiagency Coordination Group/Emergency Operations Center (EOC) management for incidents that may use an Area Command.

This course is limited to individuals who serve in Command or General Staff functions during Complex Incidents. Applications are subject to approval by their local Emergency Manager or Senior Official.

Prerequisites

- **IS-100** – Introduction to the Incident Command System (ICS)
- **IS-200** – Basic Incident Command System for Initial Response
- **IS-700** – An Introduction to the National Incident Management System (NIMS)
- **IS-800** – An Introduction to the National Response Framework (NRF)
- **G0300**—Intermediate Incident Command System Course (Classroom Course)

All Independent Study (IS) courses are available online (free of charge) at the FEMA

Independent Study website: <https://training.fema.gov/is/crslist.aspx>

Participants must upload all prerequisite certificates to their KS-TRAIN Transcript before their registration is approved. KS-TRAIN registration is important so the program can add this session to your learning transcript, and to issue a training certificate for your future reference.

Registration on KS-TRAIN is mandatory, non-registered individuals will not be allowed to attend this training.

Successful participants are required to score a minimum of 75% grade on a timed, closed-book examination. Course materials will be sent to participants electronically in advance of the class for use on your personal device. A limited quantity of printed student manuals will be available on site.

Registration deadline: November 18, 2024

Registration questions: KDEMtraining@gmail.com
