

## Low Light Shooting: White Light

November 10-11, 2022 / Tonganoxie, KS Hosted by Leavenworth County Sheriff's Office

### \$400

This 2-day / 16-hour instructor development course is designed to teach firearms instructors the technical information associated with illumination tools, such as hand-held flashlights and weapon-mounted lights. In addition, firearms instructors will be exposed to training methodologies that will enhance their low light training program. Most basic firearms instructor courses usually dedicate about 4-5 hours to low light shooting and only conduct basic low light drills. This instructor course goes much further in depth. Emphasis will be placed on developing live-fire drills that enhance student's ability to learn both hand-held techniques and weapon-mounted systems for both handguns and shoulder-fired weapons. The concepts taught in this course apply to ALL weapon disciplines for creating better training.

**NOTE:** This course requires the use of carbines / rifles. Students don't need to be certified as a rifle instructor to attend. However, students must have successfully completed a rifle operator certification course of 16+ hours to attend this course.
