

RDS HANDGUN INSTRUCTOR

This 3-Day Course is a premier instructor level course that trains the student to return to their agency ready to transition or train their agency with RDS equipped handguns

This 3-day Red Dot Sight (RDS) Equipped Handgun Instructor Course will prepare student instructor to implement red dot sighted pistols into their agency. This RDS handgun training course uniquely combines range-focused skills with in-depth technical training, covering armorer techniques and equipment maintenance. It addresses common challenges in using RDS handguns, enhances understanding, and applies these skills to real law enforcement scenarios, including low-light and barricade situations. The course aims to equip officers with the knowledge and confidence needed for better decision-making in critical incidents.
