

School Resource Officers: The Intersection of Community Wellness and Public Safety

Wednesday, November 30 | 12:30-3:30 PM

ESSDACK | 1500 E 11th Ave, Hutchinson, KS

As part of our Crisis Team Consortium, ESSDACK is bringing trainers from the National School Resource Officer Association to work on de-escalation in schools. They will present to our Crisis Team Consortium in the morning. They will then present the **Behavioral Threat Assessment** model implementation in the afternoon to *LEO's and SRO's*. This is a FREE event. This team has done extensive work in the field of crisis and crisis intervention and response and use the principles of trauma-informed care to guide practice. They train at Quantico and have the most up to date best practices.
