INVESTIGATIVE INTERVIEWING
A Science-Based Approach

Are you ready to reach the pinnacle of investigative excellence? Elevate your skills in effective, ethical, and impactful interview & interrogation techniques. Led by a former homicide and sex crimes detective, an evidence-based training, proven to improve case outcomes and information reliability.

- ✓ Better case outcomes over legacy interview & interrogation methods.
- ✓ Proven track record: success in complex and sensitive cases.
- ✓ Apply skills immediately in real-world scenarios and cases.
- ✓ Versatile skillset applicable to both patrol and investigative roles.

Training:

August 12 - 14, 2024
8 am - 5 pm

Hosted by:
**Liberal Police Department
@Seward County Activity Center
810 Stadium Ave, Liberal, KS 67901**

Benefit from techniques derived from the FBI's High-Value Detainee Group funded research. Boost your confidence in case outcomes by safeguarding against false information, false confessions, tunnel vision, and biases resulting from ineffective communication methods and systems.

Curriculum

- **Effective Questioning and Interrogation Strategies**
  - Scientifically validated methods to obtain accurate and reliable information.
  - Reduce false confessions and false information
- **Active Listening Techniques**
  - Increase the information obtained during interviews
- **Building and Maintaining Rapport**
  - We don't just tell you it is important. Learn how to build trust and cooperation in the field and interview rooms.
  - Increase the effectiveness of interviews.
- **Critical Thinking and Decision-Making Skills**
  - Equip officers and detectives with tools to analyze and approach complex investigations logically.
  - Improve problem-solving and reduce groupthink.
- **Scenario-Based Training and Role-Playing**
  - Provide hands-on, practical experience in real-world investigative situations.
  - Ensure retention and application.
- **Strategic Use of Evidence**
  - Disclose evidence masterfully.
- **Zero pseudoscientific techniques.**
  - Don't waste money on poor training.
