

Would you like to become a Child Passenger Safety Technician?

CPS technicians use their expertise to educate parents and caregivers about correct installation and use of car seats and seatbelts. CPSTs stay up-to-date with continuing education and annual updates through the Kansas Traffic Safety Resource Office.

Courses cost \$95 per person for a 2-year certification.

Participants must attend all three days including a car seat check lane on the final day.

March 10-12, 2026

Winfield Civic Center
400 E 9th Avenue
Winfield, KS 67156

To enroll, go to <https://cert.safekids.org>.

Course ID # KS20250528559
