## STINGER SPIKE SYSTEM TRAINING

Stinger offers a three/four-hour certified training class. This class is designed as a train the Trainer type course. Each participant will receive a factory certificate from Federal Signal Stinger Spike Systems.

The class consists of approximately 1 hour of classroom instruction covering pursuit policies, safety issues, and deployment methods. The class then moves outside for approximately 3 hours of hands-on training. Each officer will be instructed on the pull method and curbside deployment method, using our spikeless training units. Vehicles will be used during this time to create “real-life” scenarios.

Date: November 6, 2023; Deadline to register is November 3<sup>rd</sup>, 2023 at close of business.

Time: 1:00pm – 5:00 pm

Cost: Free for all trainees.

Number of attendees allowed: 50.

Location: 700 Gray Street, Winfield KS 67156

Host agency: Winfield Police Department

Agency point of contact: Capt. Chad Gordon
