Applicants lacking sufficient qualifications may be accepted into the **Apprentice Assessor program. Apprentice Assessors are unpaid law enforcement professionals who are training to become Assessors. Apprentice Assessors are assigned to an Assessor to observe and shadow during interviews, observations, and file review during an on-site. Apprentices are encouraged to participate in the discussions, but do not have decision making authority. The Assessor with which the Apprentice works will note the performance of the Apprentice to help determine whether the Apprentice is suitable for Assessor responsibilities. The Apprentice Assessor is responsible for his/her expenses incurred during the on-site assessment. Apprentice Assessors are required to attend the KLETC Accreditation Manager Training and Assessor Training classes prior to conducting their first on-site assessment.

Please include a resume describing your assignments and responsibilities throughout your law enforcement career.

Assessor Training

Section 4

Upon approval of your qualifications, you will be contacted to attend the next Assessor Training class. There is no charge for the training or materials Any travel costs, lodging or meals for the training are your responsibility.

The training class is a two-day class.

A refresher training course is periodically required to continue your status as a KLEAP Assessor.

Assessors are required to attend the training prior to conducting their first On-Site Assessment.

Assessor Payment

Section 5

During the Assessor Training class, all Assessors will complete a W-9 form so payment can be made to the Assessor from the University of Kansas/Kansas Law Enforcement Training Center (KLETC).

Upon being contacted by the KLEAP Program Director, and agreeing to conduct an on-site assessment, the Assessor will complete either the Lead Assessor Service Agreement or the Assessor Service Agreement that outlines the compensation being paid for professional services rendered. The amount paid is determined by the number of assessors assigned and the size of the agency being assessed.

Apprentice Assessors are not compensated during their apprenticeship.
